Fin and his little dog, Sausages, learn to be more careful as they help with the chores around the house.

*-We can't recommend this book enough.  
-A lovely tale beautifully illustrated.  
-We bought this for our young nephews and they absolutely LOVED it!  
-We will most definitely purchase any follow children's book from this author.  
-Amazon UK Reviewers*

*"[Monaghan] definitely succeeds in getting the message across in the book in a way that little ones love. And, all the boys love Sausages. As a mom, I love that there is a good message in the story."
